SEPTEMBER 8th Poker Ride – The Intermountain Horse Association has their Poker Ride September 8th at Alderfer/Three Sisters Open Space Park in evergreen. **Ample parking is provided for the participants**. It is one of the few times you are assured parking for your rig. Register online – go to the website and click the link for the online store. www.Intermountainhorse.org Prize for high hand is \$300 and low hand is \$100. Lunch is included. This year proceeds benefit the Jeffco HEAT (Horse Evacuation Assistance Team). They are the group that evacuates horses and other livestock when requested by the sheriff's office. They do serve the entire state not just Jeffco and they also do rescues from accidents etc. www.JeffcoHEAT.org The Aspen Creek Vet Clinic will be there and offer microchipping for \$60. That fee includes a lifetime registration. Microchipping is a really great idea in light of the natural disasters AND for those of us who have experienced a loose horse from a campout. Any questions please contact Jan Kray buffalogalcolorado@yahoo.com

Speaking of Poker Rider – we discussed the idea of a BBSC poker ride on October 6th. John Lind will look in to a location and we will discuss in August.

Meeting adjourned 8:15 pm
