### **About this year's beneficiary:**

Over the past 12 months Harmony Equine Center has received 225 starved horses from law enforcement. This is unprecedented for Harmony.

Communities are recognizing vulnerable and at-risk horses and are no longer accepting this type of neglect, and Harmony is helping more horses than ever.

### **Rules of the Ride:**

**All children must ride with a guardian/participant adult.**

**Helmets are recommended for ALL riders.**

**Course:** Riders will follow a set course collecting a poker hand from different stations in Alderfer Three Sisters and Blair Ranch Open Space Parks. Choose the length of ride that suits you 1.5, 2 or 3 hours (3.4 miles, 4.55 miles or 5.85 miles)

**Long course riders may start between 9:00 AM and 10:00 AM, short course between 9:00 AM and 11:00 AM. All riders must finish and turn in playing cards by 12:00 noon when lunch is served!**
